

Ale Miler

Phone: 555-0123 | **Email:** ale.miler.data@email.com | **Location:** Chicago, IL

Professional Summary

I am a Data Analyst with 3 years experience. I like to solve problems with data and making reports that are easy for everyone to understand. I am good with Excel and SQL, and I always try my best to help the team make better decisions based on facts.

Category	Tools & Languages
Data Tools	SQL, Microsoft Excel (Pivot tables, VLOOKUP)
Visualization	Tableau, Power BI
Programming	Python (basic), R
Other	Google Sheets, PowerPoint

Work Experience

Junior Data Analyst | Brht Solutions Inc. June 2023 – Present

- Manage daily data entry and cleaning for the sales department.
- Created a dashboard in Tableau that track monthly revenue, which saved managers 5 hours a week.
- Using SQL to pull data from company database for weekly meetings.
- Helped the marketing team to understand why some ads didn't work.

Data Clerk | Rtail Hub Co. May 2021 – May 2023

- Update spreadsheets every day to make sure they are accurate.
- Fixed errors in the customer database that was causing shipping delays.
- Generate reports for the store manager using Excel.
- Work with a team of 5 people to organize yearly audit.

Personal Projects

- **Movie Database Project:** I used Python to look at which movies made the most money in the last 10 years. I found out that action movies are getting more popular.
- **Budget Tracker:** Made a personal budget tool in Excel with automated charts to see my spending habits.
